Booked trips

The trips you booked, you can open them

The suitcase icon will redirect you to the page to help you pack

Help me pack!

The image shows a mobile application interface titled "PACKING THE SUITCASE". At the top left is a back arrow icon, and at the top right is a notification bell icon with a red dot. The main content area is divided into two sections: "Needs" and "Activities". The "Needs" section contains four buttons: "Essentials", "Documents", "Baby", and "Couple". The "Activities" section contains six buttons: "Sport", "Night Life", "Fotography", "Higene", "Clothes", and "Elegant nights". Below these sections is a toggle switch for "Carry on bag" (which is currently turned on) and "Hold luggage". At the bottom of the main content area is a button labeled "See all items". The bottom of the screen features a green navigation bar with five icons: a compass, a magnifying glass, a plus sign, a heart, and a user profile.

## Single experience view from search

Page to see the information of a single trip.

On the top the name of the trip, with it's images and the trip on which is based (if it's based on a trip already)

The users already participating (you can expand the list and visit their profiles)

The organizer profile (you can click and visit it) and the chat message to contact him

The description for the trip

The trips hashtags

The day by day trip description (activities, ecc)

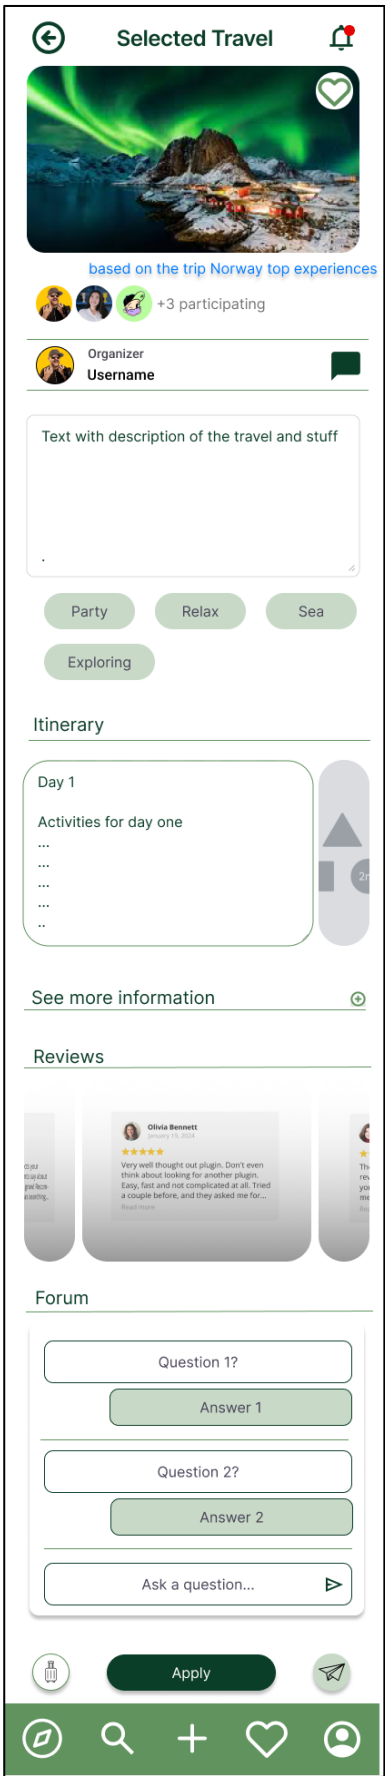

More information (here in extended form, can be closed) : dates, suggested age range for the trip, price, locations, activities

Reviews left by the users

A forum for public questions on the trip

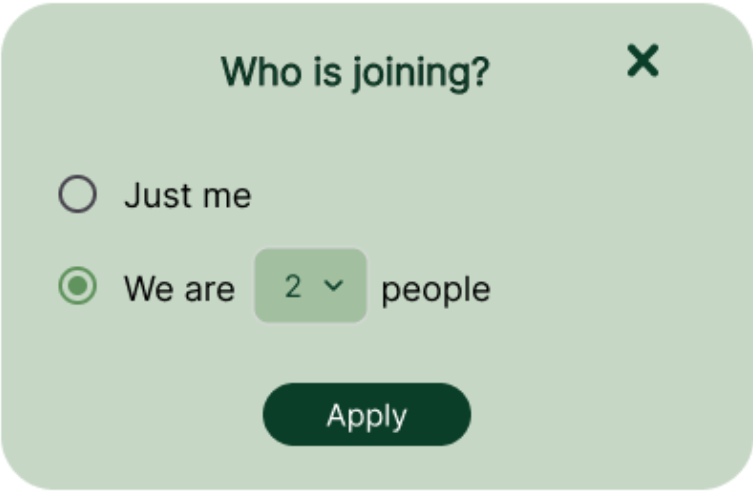

3 buttons: the one to help you pack your bag, to apply, and to share and more

Single experience view from search (hidden information)

Single travel page (with the information hidden)

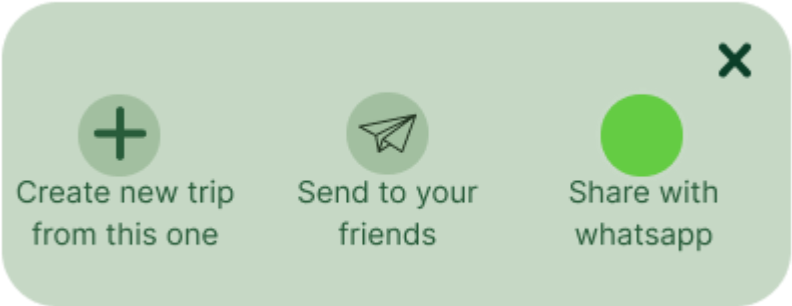

### Number of participants – popup

A light green rounded rectangle popup titled "Who is joining?" with a close button (X) in the top right corner. It contains two radio button options: "Just me" (unselected) and "We are 2 people" (selected). The number "2" is inside a small green box with a downward arrow. At the bottom is a dark green "Apply" button.

Opens when you click on apply, so you can add other friends that don't use the app and insert their data

### Share options – popup

A light green rounded rectangle popup with a close button (X) in the top right corner. It contains three options, each with an icon and text: a plus icon for "Create new trip from this one", a paper plane icon for "Send to your friends", and a green circle icon for "Share with whatsapp".

Sharing options and the option to create another trip based on this one

(they might seem awfully dark and not legible if you have word on dark mode)
